

# Waterpenny Farm

Sperryville, VA

Rappahannock County

**Grows: Organic practices but not certified Produce, flowers, blueberries, & sometimes eggs.**

**At the City Market: April—October**

**Acreage: 30 acres—10 cultivated - 4500 sq ft Greenhouse**

**Growing Practices:**

**All Organic methods but not certified. No chemicals fertilizers or pesticides.**

**We, Eric Plaksin & Rachel Bynum** have been growing pesticide – free vegetables and selling at the Charlottesville City Market since 2000. We also sell at two other weekend farmers markets in addition to running a CSA and operating a self service stand at our farm in Sperryville. We are full-time farmers with no other source of income.

We have a long-term lease on our farm that expires in 2044. We now have two sons, Nicholas born 12/04 and Isaac born 11/07. We think farming is a great way to earn a living and a great way to raise a family. We enjoy selling at the City Market and look forward to many more years. We hope you enjoy the fruits of our labors.
